A summary of activities permitted and restrictions that apply are detailed above. Refer to the user guide for further information or the Marine Estate Management (Management Rules) Regulation 1999 for full details.

Note: All other relevant legislation continues to apply in addition to the management rules.

* Land based line fishing is the only method of fishing permitted in the Little Beach Habitat Protection Zone. Fishing is only permitted from the wheelchair access jetty, the Little Beach Jetty and the beach between these jetties.

No collecting in the Dutchmans Beach Habitat Protection Zone.
Cabbage Tree Island Habitat Protection Zone is restricted to the taking of yellowtail scad, slimy mackerel and garfish only.

No fishing with bait in the Broughton Island, Sawtooth and Edith Breaker Habitat Protection Zones.
Shore based recreational line fishing is the only method permitted in the Fiona Beach and Cellito South Habitat Protection Zones.

No fishing from anchored vessels in Broughton Island and Sawtooth Habitat Protection Zones.

Recreational trolling only permitted in the stippled Open Ocean restricted habitat zone (offshore Broughton Island) from 1 December to 30 April (inclusive) each year. No fishing from anchored or drifting vessels (trolling only) and no fishing permitted outside specified timeframe.

- ✓ Activity is permitted in the zone
- X Activity is not permitted in the zone
- P Marine parks permit required
- 1 Requires licence/lease under the Fisheries Management Act 1994, and is subject to the provisions of the management plan
- 2 Restrictions apply. Daily possession limit of 5 shells of any one species and 20 litres of seaweed. No collecting at Little Beach, Dutchmans Beach or Cabbage Tree Island habitat protection zones.
- 3 Restrictions apply in grey nurse shark critical habitats. Refer to user guide for further information
- 4 Permissible in Smiths Lake and Boolambayate Lake sanctuaries zones, and (by permit) in the Fly Point – Corrie Island sanctuary zone
- 5 Subject to restrictions – refer to user guide
- 6 Not permissible to anchor on seagrass in sanctuaries zones
- 7 Fish trawling and prawn trawling are not permitted in estuaries, lakes and rivers
- 8 Permissible only at designated locations. Refer to user guide
- 9 Permissible only in Smiths Lake habitat protection zone and Myall River Camp habitat protection zone
- 10 Bombah Broad water annual seasonal commercial netting closure – between 1 May and 31 August (inclusive) in any year

Zoning maps for NSW marine parks are available for free on mobile devices as part of the NSW DPI FishSmart app and from the Avenza map store.

To use FishSmart, download the app from the App Store or Google Play.

FishSmart provides recreational fishers access to the essential information needed to fish in NSW, including marine park maps.

You can also find marine park maps on the Avenza Map store by downloading the Avenza Maps app and searching for 'NSW DPI Fisheries'.

THIS MAP IS NOT TO BE USED FOR NAVIGATION
